Embroidery, treated as it deserves to be

A family-run premium embroidery studio in Alwar, Rajasthan. Everything we make is **stitched, not printed** — your logo, name or monogram becomes part of the fabric, not a layer on top of it.

From one personalised piece to a full team order, every design is stitched once as a sample and approved by you before the batch runs.

*“If we wouldn’t gift it,
we don’t ship it.”*
